CERTIFICATE

It is hereby confirmed that the

Fume cupboard controller FC400M / FC400A

of the manufacturer

Hans Schneider Elektronik GmbH

consisting of

Fume cupboard controller electronic box FC400A / FC400M
Measuring system with damper and fast actuator VK-250-PPS-K-0-FF
Sash position sensor - SPS 100
Airflow sensor - AFS100

was tested according to

EN 14175-6:2006

within a duct pressure range of 100 – 1000 Pa.

The details and data of the complete test procedure
are content of the test report

FCS/EN/80/T6/2022

which was given to the manufacturer on
27.09.2022.

Tintschl BioEnergie und Strömungstechnik AG
Goerdelerstr. 21
